WEBSITE SHOWCASE

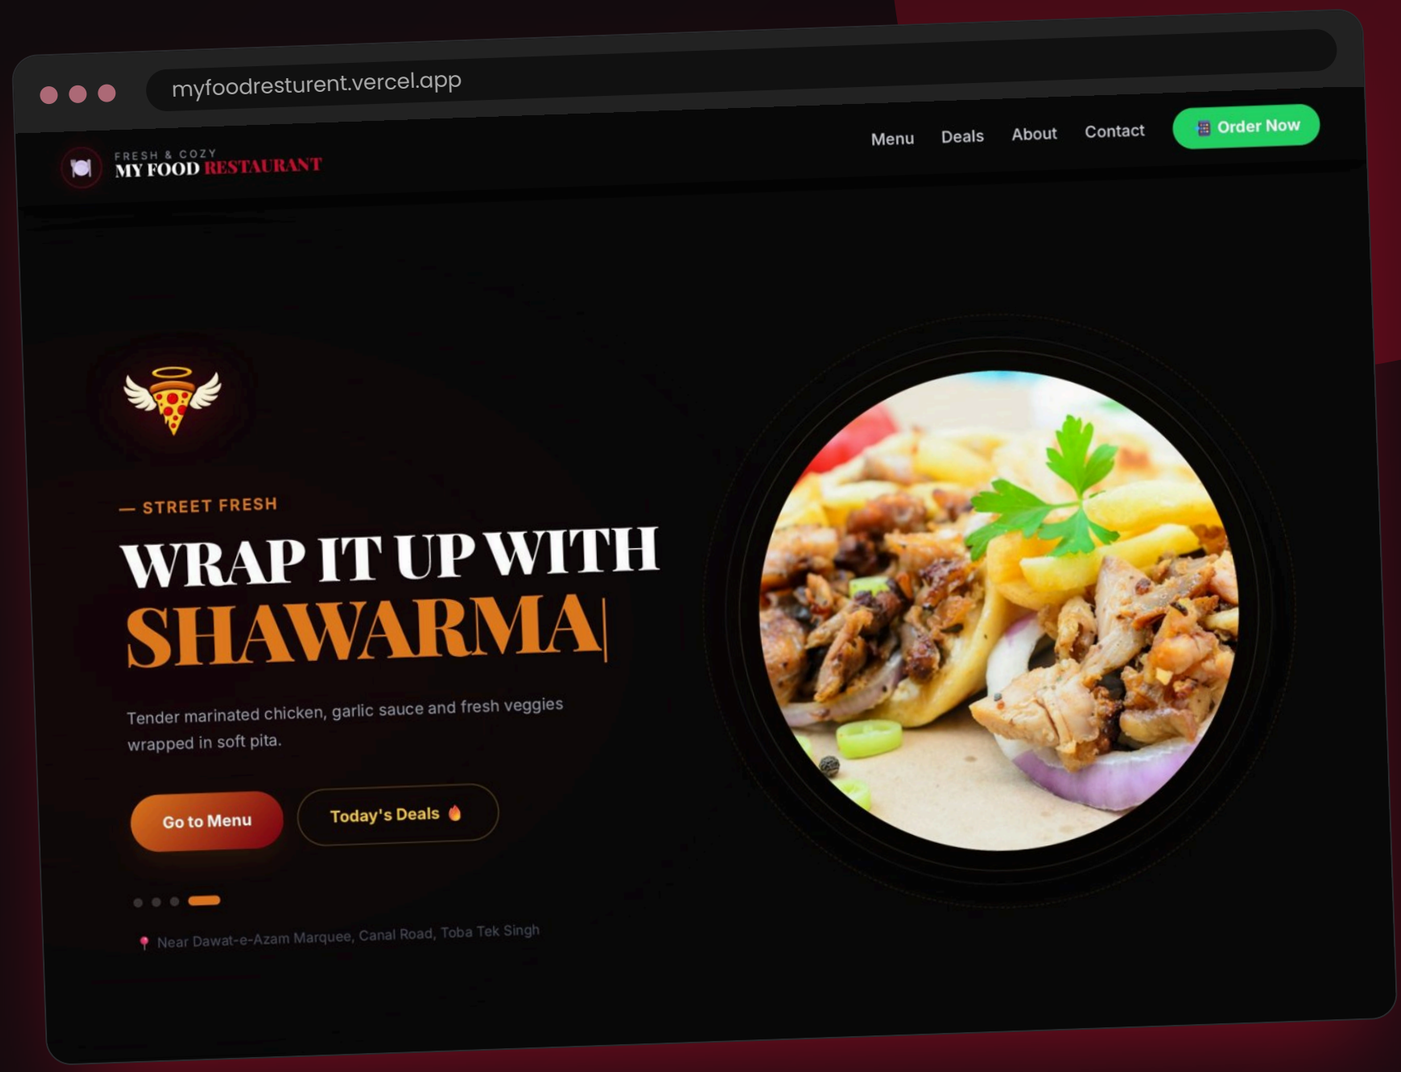

My Food Restaurant

Love to serve you.

A complete online menu and ordering experience, from the first look at the hero to a one-tap WhatsApp order.

Today’s Deals · Full menu with sizes · Add-a-drink upsell · Delivery or pickup · Order via WhatsApp · Floating cart

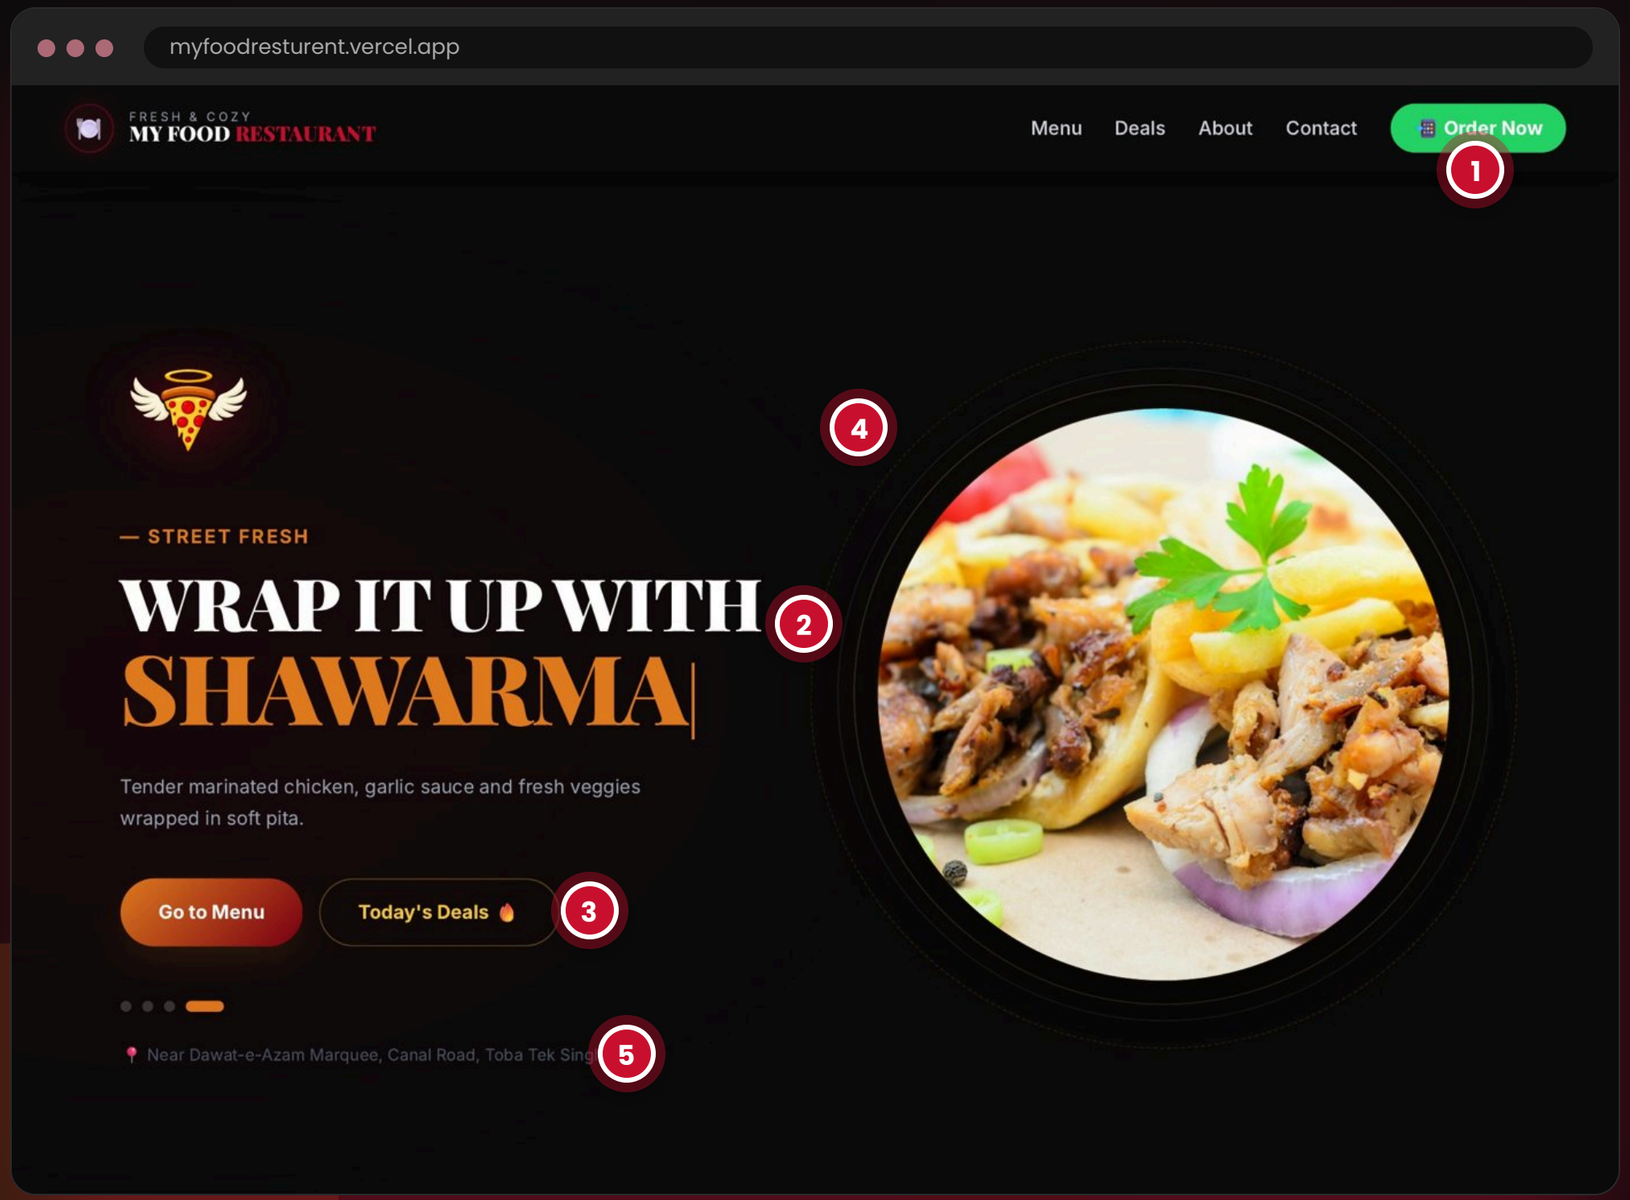

Browse → Pick size → Cart → WhatsApp → Enjoy

01 · HOME PAGE

A hero that makes you hungry

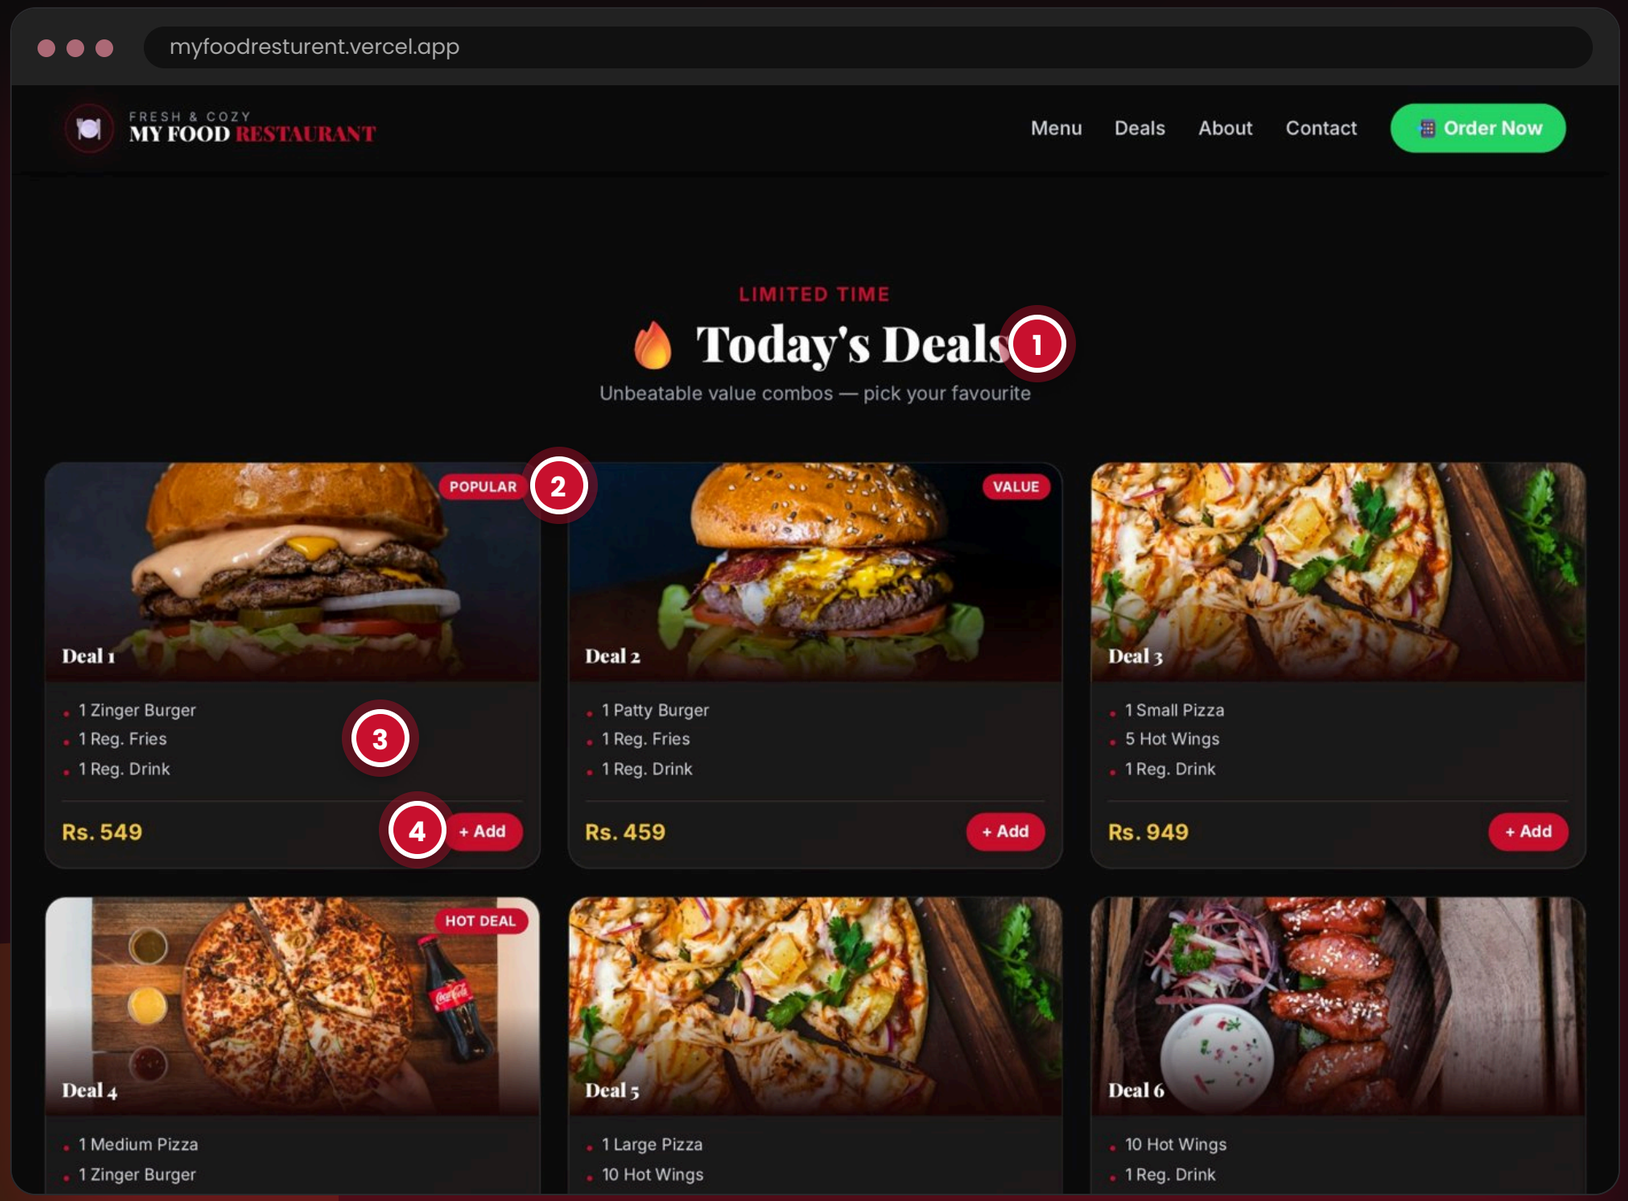

Bold type, a big food photo and an Order Now button that's always one tap away.

1. **Always-visible Order Now**
   A green call-to-action sits in the top bar on every screen.
2. **Bold headline**
   "Wrap it up with Shawarma" sells the dish before anyone scrolls.
3. **Clear next steps**
   "Go to Menu" and "Today's Deals" guide hungry visitors straight in.
4. **Mouth-watering photo**
   A big circular food photo with soft glowing rings.
5. **Location up front**
   Near Dawat-e-Azam Marquee, Canal Road, Toba Tek Singh.

Deals that sell themselves

Combo cards with photos, badges and prices, ready to add in one tap.

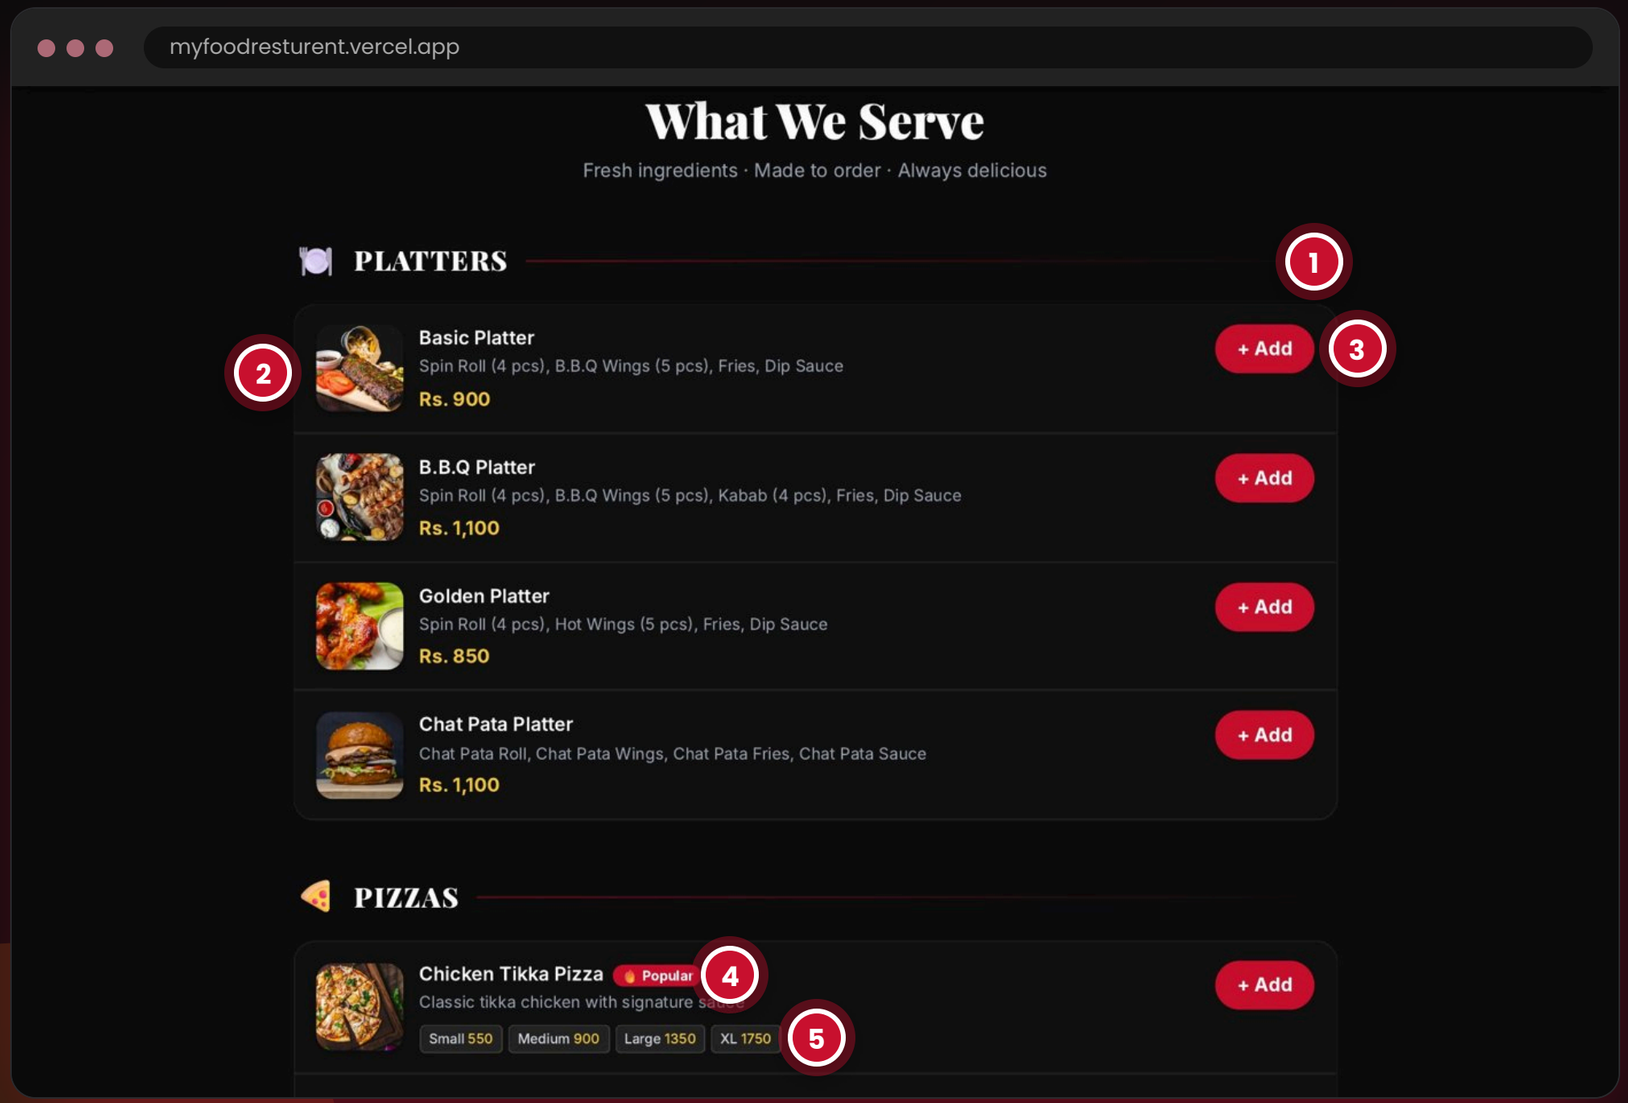

1. **Limited-time section**
   A bold heading that creates urgency.
2. **Eye-catching badges**
   Popular, Value, Hot Deal, Best Deal, Family Feast and more.
3. **What's inside**
   Each combo lists every item clearly.
4. **Price and + Add**
   Gold price with a red add button: one tap to order.

03 · FULL MENU

A full menu, beautifully organised

Platters, pizzas, burgers, pastas, shawarmas, drinks and more, all with photos.

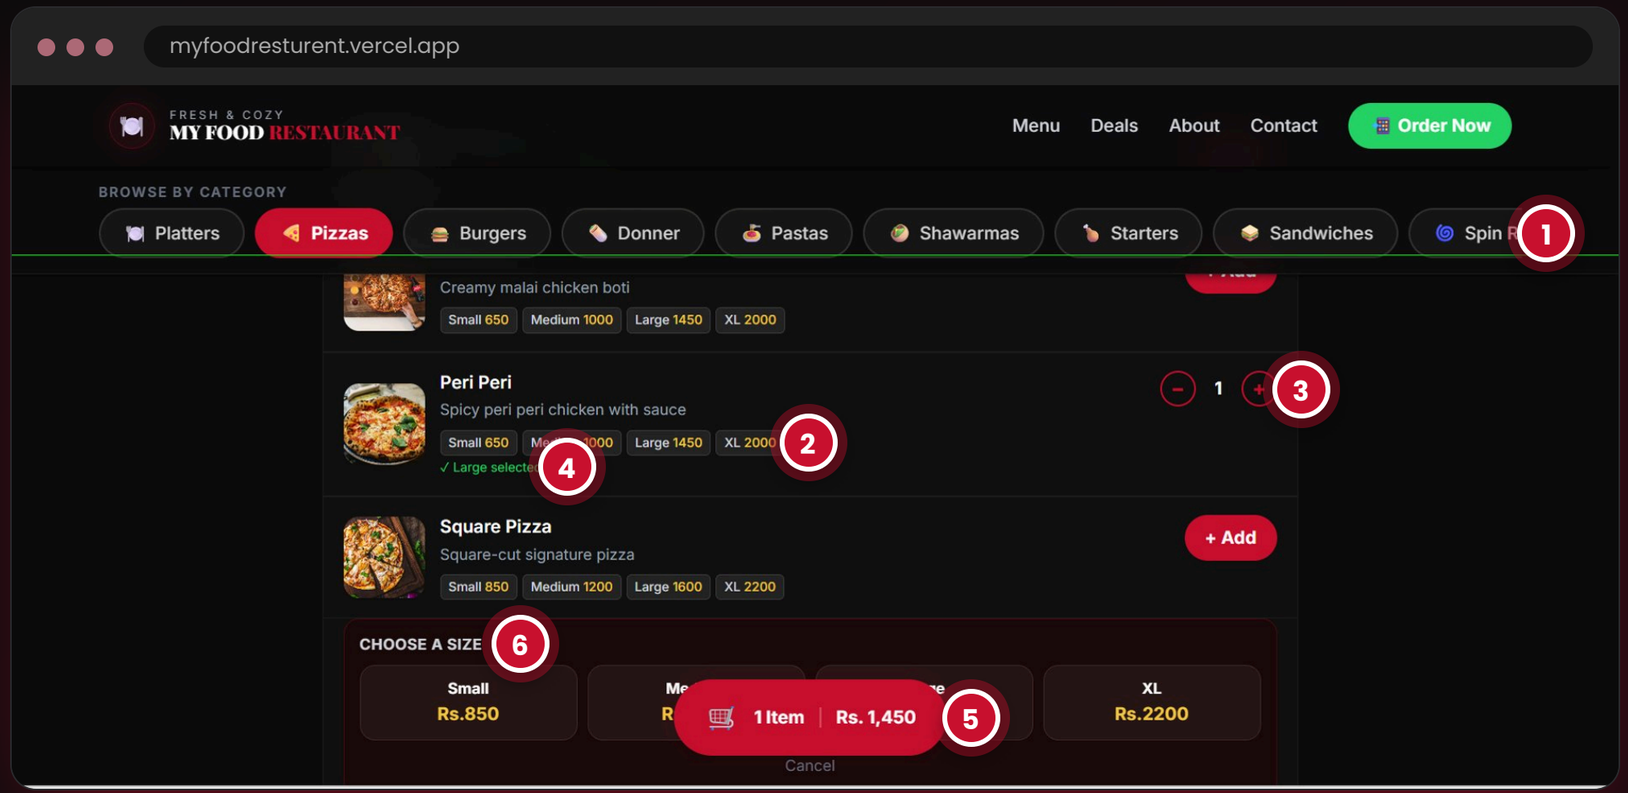

1. **Clear categories**
   Each section has its own icon and heading.
2. **Photo for every item**
   Thumbnails make choosing easy.
3. **+ Add on every item**
   Large red buttons that are easy to tap.
4. **Popular badges**
   Best-sellers are flagged with a 🔥 tag.
5. **Size and price chips**
   Small, Medium, Large and XL shown at a glance.

04 · SMART ORDERING

Pick a size, add, done

Category chips, size choices and a floating cart keep ordering fast.

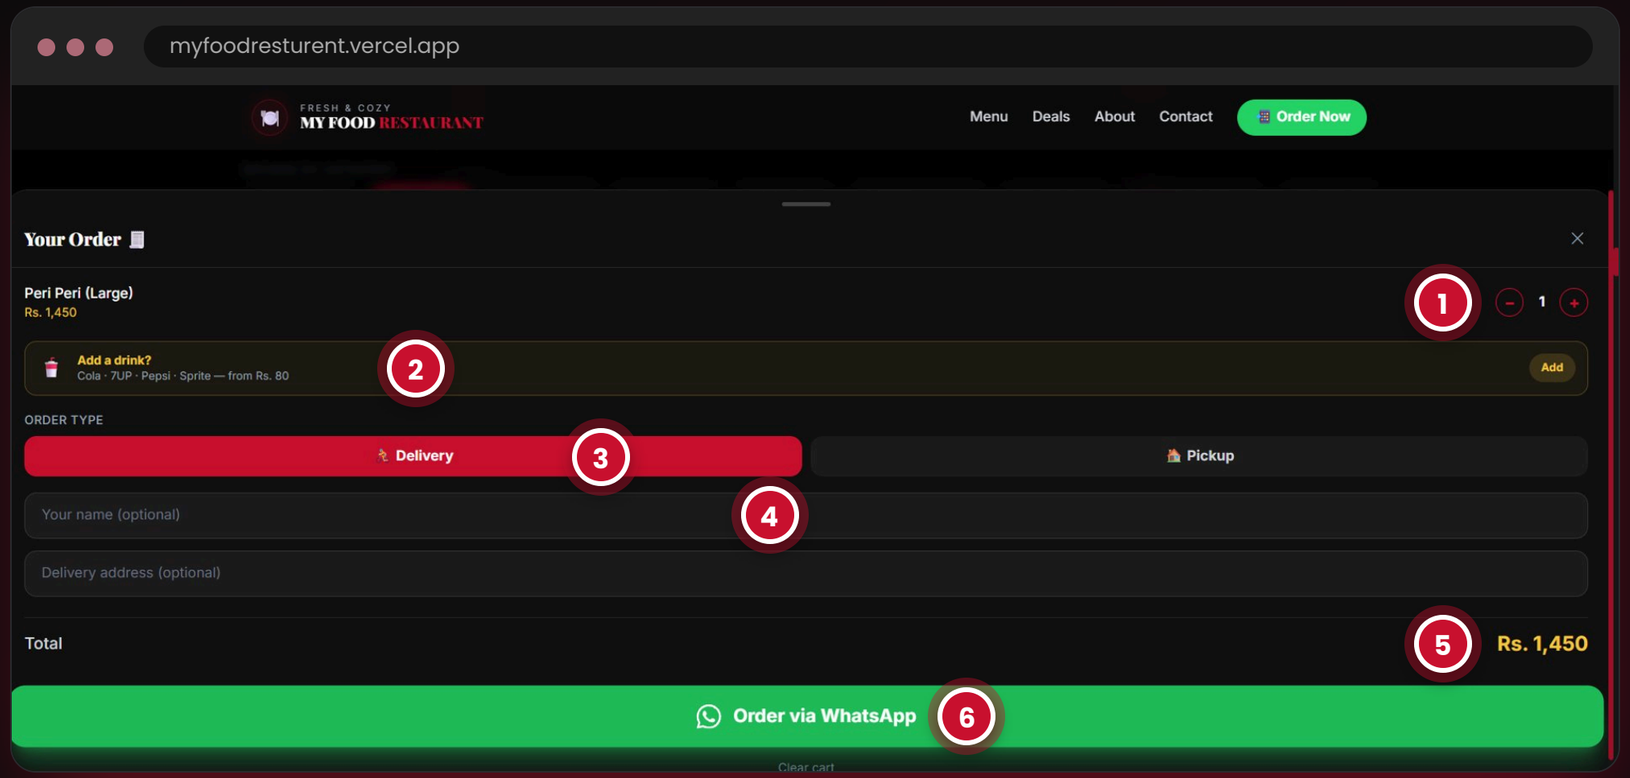

1. **Swipeable categories**
   Platters, Pizzas, Burgers, Donner, Pastas, Shawarmas and more.
2. **Size chips with prices**
   Small, Medium, Large and XL, each with its own price.
3. **Quantity stepper**
   + / - controls appear once an item is in the cart.
4. **Instant confirmation**
   A green “Large selected” tick confirms the choice.
5. **Floating cart**
   Item count and running total always visible.
6. **Size picker**
   A “Choose a size” panel for multi-size items.

05 · YOUR ORDER

A cart built to increase every order

Review the order, add a drink, choose delivery or pickup, and send.

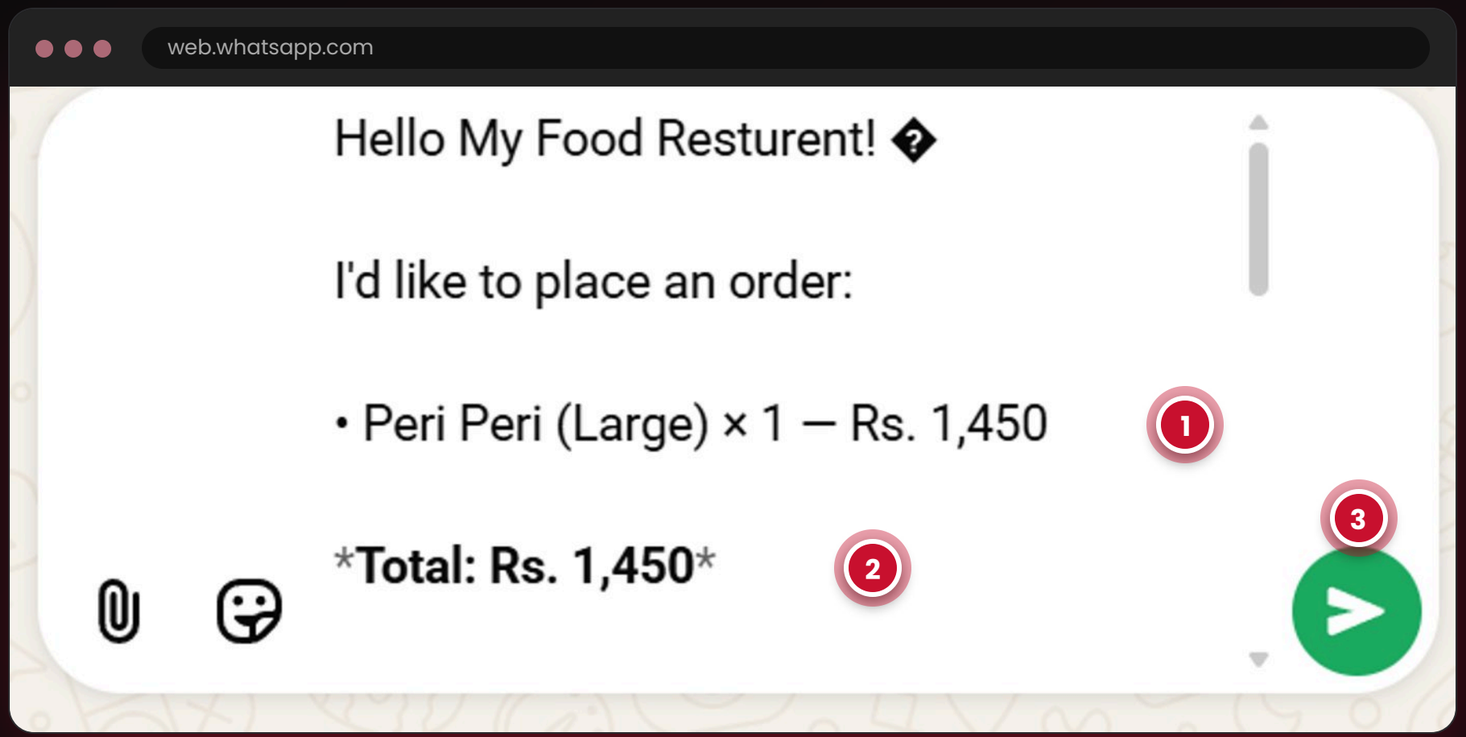

1. **Edit quantities**
   Add or remove items right in the cart.
2. **"Add a drink?" upsell**
   Cola, 7UP, Pepsi or Sprite from Rs. 80, a smart way to raise order value.
3. **Delivery or Pickup**
   One tap switches order type.
4. **Optional details**
   Name and address are optional, so ordering stays quick.
5. **Live total**
   The total updates as items change.
6. **Order via WhatsApp**
   A big green button sends the order straight to the restaurant.

06 · WHATSAPP ORDER

The order lands in WhatsApp, ready to send

No sign-up and no payment forms: the customer just taps send.

1. **Pre-written order message**
   Greeting, item, size, quantity and price filled in automatically.
2. **Bold total**
   The final amount is clearly shown in the message.
3. **One-tap send**
   The restaurant receives a complete, readable order.

07 · ABOUT US

A story and the details customers need

Location, phone, hours and delivery charges, all in one place.

myfoodresturent.vercel.app

OUR STORY

Good Food. Good Mood.
